FINKLE & LYON'S Sewing Machines!

These Machines make the lock-stitch alike on both sides, and use less than half the thread and silk that the single or double thread loop-stitch Machines do; will Hem, Fell, Gather, Cord, Braid, Bind, &c., and are better adapted than any other Sewing Machine in use to the frequent changes and great variety of sewing required in a family, for they will sew from one to twenty thicknesses of Marcellines without stopping, and make every stitch perfect, or from the finest gauze to the heaviest beaver cloth, or even the stoutest harness leather, without changing the feed, needle, or tension, or making any adjustment of Machine whatever!

They are simple in construction, and easily understood; and if any part is broken by accident, it is readily replaced.

These are peculiar facts, and will go far to determine the choice of any intelligent buyer.

Please call and examine or send for a Circular.

TO THOSE WHO DON'T THINK

AND

TO THOSE WHO DO THINK.

To those who don't wish to be troubled with thinking, but like to have their thinking done by some one else, we say without explanation, that

RADWAY'S READY RELIEF

Will relieve those who suffer pains, instantly on its application externally or by its administration internally, and cures—

Rheumatism in a few hours; Sore Throat in fifteen minutes; Tooth-ache in three minutes; Neuralgia, (paroxysm of,) in five minutes; Cramps in five minutes; Head-ache in ten minutes; Colic in twenty minutes; Diarrhoea in forty minutes; Lumbago, (sprain of,) in ten minutes; Chills in fifteen minutes; Burns in five minutes; Influenza in a few hours; Croup in ten minutes; Spasms in five minutes; and deep seated pains by a few applications.

In all cases where pain is felt, the Ready Relief should be applied. Taken internally—a teaspoon full to half a tumbler of water—it will cure acidity of the stomach, and promote digestion; it is a pleasant and healthy stimulant.

TO THOSE WHO DO THINK

We say that *Radway's Ready Relief* is the most elegant and powerful medicine known in the world. This is not boasting; try it if you feel sceptical and be convinced. It combines in its composition the properties of a diffusive stimulant, an Anti-septic, a mild but effective Astringent, and a direct power over the nerves, neither narcotic nor anæsthetic, that relieves pain in a manner peculiar to itself, and for which we have no word in the English language exactly to express its action. The French call it *Soulageant*. So much for its internal administration. When applied externally, it will be found a powerful counter-irritant, instantly reddening the surface to which it is applied, and withdrawing the blood from some neighboring part, where it may be congested or heaped up, causing pain and leading to inflammation. It fulfills the indication of equalizing the circulation most effectively, and most beautifully to minds that can understand its action.

TO THOSE WHO THINK.

Now, we hold that all external remedies act either in one of two ways, or combine the action of both. First—They act directly upon the nervous system without touching the blood vessels—the *sanguiferous system*. All Arteric liniments, nerve liniments, etc., belong to this class, and consequently only *benumb* the ends of the nerves, without affecting at all the circulation—may temporarily stop pain—but have not the slightest effect in restoring the equilibrium of circulation, essential to healthy action. Or Secondly—They act upon the blood vessels without, as in the case of depletives, (leeches or cups) regard to the nervous system. Now, the fact is—that the nerves preside over the blood vessels, and an external application to be effective must act upon both nerves and blood vessels.

RADWAY'S READY RELIEF.

We proclaim, has this double action of assuaging pain, by its specific effect upon the nerves and equalizing the circulation, by its effect upon the blood vessels. In this way it relieves and cures Rheumatism, Lumbago, Tooth-ache, Head-ache, and a variety of such like complaints.—When taken internally, its astringent and diffusive stimulating properties check in the most natural manner Diarrhoea, Colic, and other bowel complaints. Whilst for sore Throat, accompanied by putrescence, and for fever patients, with Typhoid symptoms, an eminent physician, attached to the New Orleans Hospital, has pronounced it far superior as an *anti-septic and antiputrescent*, to the celebrated *con Medicinal* of Raspaill. He administers it internally to his patients, and sprinkles his wards with it. Let the sick and all those who suffer pain, test its virtues. RADWAY & CO., 87 Maiden Lane.

THE GREAT

AMERICAN TEA COMPANY.

51 Vesey street, New York.

Since its organization, has created a new era in the history of

Wholesaling Teas in this

Country!

They have introduced their selections of Teas, and are selling them at not over

TWO CENTS (.02 Cents) per lb. above cost.

Never deviating from the one price asked.

Another peculiarity of the Company is that their Tea Taster not only devotes his time to the selection of their Teas as to quality, value, and particular styles for particular localities of country, but he helps the tea buyer to choose out of their enormous stock such Teas as are best adapted to his particular wants, and not only this, but points out to him the best bargains.

It is easy to see the incalculable advantage a Tea Buyer has in this establishment over all others.

If he is no judge of Tea, or the Market, if his time is valuable, he has all the benefits of a well organized system of doing business, of an immense capital, of the judgment of a professional Tea Taster, and the knowledge of superior salesmen.

This enables all Tea Buyers—no matter if they are thousands of miles from this market—to purchase on as good terms here as the New York Merchants.

Parties can order Teas and will be served by us as well as though they came themselves, being sure to get original packages, true weights and tares, and the Teas are warranted as represented.

We issue a Price List of the Company's Teas, which will be sent to all who order it; comprising

Hyson, Young Hyson, Imperial, Gun-

powder, Twankay and Skin,

Oolong, Souchoing, Orange and Hyson

Pekoe!

JAPAN TEA of every description, colored and uncolored.

This list has each kind of tea divided into four classes, namely: Cargo, high Cargo, Fine, Finest; that every one may understand the description and the prices annexed that the Company are determined to undersell the whole Tea trade.

We guarantee to sell ALL our Teas at not over TWO CENTS (.02 cents) per pound above cost, believing this to be attractive to the many who have heretofore been paying enormous profits.
